

## GRADUATE SCHOOL OF eLEARNING (GSeL)

Doctor of Philosophy (Ph.D.) in  
Teaching and Technology
 3-year Program
“Lead the way in Creating Educational  
Innovations for Tomorrow Education”**Program objectives**

To develop the professional careers who are knowledgeable and competent to manage and lead the instructional process with the integration of the instructional delivery and technology; to develop professional researchers who are competent to conduct innovative research systematically to guide the practice of teaching and technology

**Program Background**

The Graduate School of eLearning (GSeL) provides quality of elearning at the graduate level to those who are in the Teaching profession and to those who are

interested in pursuing a doctoral degree in teaching and technology. There is a current need for professional development for teachers and educators for quality education in the globalization era in which technology is used to improve the quality of teaching and learning. Most teachers, working as fulltime teachers, may not leave their current job to further their studies, but can commit themselves to earning a Doctoral degree and still can allocate time for teaching and learning.

The Doctor of Philosophy Program in Teaching and Technology is a program designed to produce teachers, instructional designers, educators, educational leaders, and researchers who are knowledgeable and competent in the field of education, teaching and technology for quality education.

**ADMISSION REQUIREMENTS**

1. Earn a Master's degree from an accredited institution
2. Show proficiency in English (TOEFL or IELTS scores) or take the English Admission Examination for Graduate Program conducted by the University

\*Tuition and Fees are subject to change without any prior notice. Tuition and Fees based on 6 semesters. Should students fail to complete the program within 6 semesters, additional fees must be applied.

## WHAT WILL YOU GET?

### Knowledge and Know-how

At GSeL, the quality of education is the primary focus above all other matters. It is the main focus to equip its graduates with all knowledge and skills they need to survive in the challenging and competitive environment.

This focus is accomplished through the new and up-to-date curriculum (revised every 2-3 years) and the highly competitive team of lecturers.

### Life-Along Learning

With the help of technology, you can study without sacrificing your lifestyle and work. Students can easily manage their own study schedule.

### Be part of AU Family

You will be part of a bigger family of Assumption University, enjoying the student and alumni network, all facilities, and the beautiful campuses.

### IMPORTANT

The provisional information statements set forth in this catalog should not be construed as the basis of any contract between a student and this institution. As such Assumption University reserves the right to change any provision listed in this catalog, including, but not limited to academic requirements for graduation. Every effort through the Office of Graduate Studies, will be made to keep students advised of any such changes.
