

986 U Chu Liang Building,

HP Inc (Thailand)Ltd.

3rd floor, Rama IV
Rd., Silom,
Bangrak, Bangkok
10500 THAILAND

HP is a proven leader in personal systems and printing, delivering innovations that empower people to create, interact, and inspire like never before. We leverage our strong financial position to extend our leadership in traditional markets and invest in exciting new technologies.

HP has an impressive portfolio and strong innovation pipeline across areas such as:

- blended reality technology - our unique Sprout by HP will change the way people do things
- 3D printing
- multi-function printing
- Ink in the office
- tablets, phablets, notebooks
- mobile workstations

We are looking for visionaries who are ready to make an impact on the way the world works. At HP, the future is yours to create!

If you are our **Intern - MBA / Master** in **Thailand**, you will have a chance to:

- Support category team to implement, execute and track 4P and OCP plan initiatives.
- Create and develop business plans e.g iMPS or Kronos Acceleration plan for Print and SMB (Small-Medium Business) Growth plan for PC commercial.
- Processing data and translating it into useful information.
- Work across other functions e.g Sales, Marketing , Operation to learn the company's environment/ culture/processes

Are you a high-performer? We are looking for an individual with:

- Currently enrolled in a Master Degree Program or MBA
- Background : Marketing, International business, Finance
- Good communication and good command in English
- Self-motivated, energetic, courage, initiative and team player
- Available full time at least 3 months
