*AU: GLOBAL PERSPECTIVE
DIGITAL EDGE*

AU

YOUR GATEWAY TO A GLOBAL PERSPECTIVE

AU'S GLOBAL ALUMNI NETWORK

AU's alumni network is strong and global, with alumni living and working in over 80 countries around the world. AU alumni are in positions of leadership in a wide range of industries, including finance, technology, consulting, and healthcare.

EDUCATIONAL FIELD TRIPS

Educational field trips expose AU students to corporate cultures and provide them with out-of-the-classroom learning experiences. This can help students to better understand the world of work and to develop the skills and knowledge necessary to be successful in their careers.

INTERNATIONAL PERSPECTIVE

The fact that AU has more than 3,000 international students from over 80 countries and qualified international faculty from over 40 countries creates a truly global learning environment. This gives students the opportunity to learn from and collaborate with people from all over the world, which can be a valuable asset in the global job market.

DIGITAL PLATFORM

The digital platform used to teach part-time MBA programs at AU is convenient and flexible, making it a good option for working professionals or students who live in different parts of the world. The duo setting, which combines digital and classroom learning, allows students to get the best of both worlds: the flexibility of online learning with the personal interaction of classroom learning.

CONFERENCE AND SEMINAR

The international conferences, seminars, and summits organized by AU each year provide students with the opportunity to learn about the latest research in business and management from scholars, researchers, and graduating students from all over the world. This can help students to stay up-to-date on the latest trends and developments in their field.

PRACTICAL EXPERIENCE

The hands-on learning experiences that AU students participate in, such as internships, seminars, competitions, and field research, give them the opportunity to apply what they are learning in the classroom to real-world situations. This practical experience can be very valuable to employers, as it shows that students have the skills and knowledge necessary to be successful in the workplace.

EXPERT OPINIONS

Guest speakers from corporate fields, diplomats, and ambassadors from all over the world share their insights and experiences with AU students. This gives students the opportunity to learn from the best and brightest in their field and to gain valuable insights into the global business world.

ENGLISH PROFICIENCY

The fact that classes at AU are conducted in English prepares students for the global workplace, where English is the lingua franca of business. By studying at AU, students can improve their English proficiency and communication skills, which will make them more competitive in the job market.

ASSUMPTION UNIVERSITY (AU)

THE UNIVERSITY BACKGROUND

Assumption University is a non-profit institution administered by the Brothers of St. Gabriel, a worldwide Catholic religious order, founded in France in 1705 by St. Louis Marie De Montfort, devoted to education and philanthropic activities. The congregation has been operating many educational institutions in Thailand since 1901.

- 1969 Assumption Commercial College in 1969 as an autonomous higher education institution under the name of Assumption School of Business.
- 1972 Official approval by the Ministry of Education and established as Assumption Business Administration College or ABAC.
- 1975 accredited by the Ministry of University Affairs.
- 1990 Granted new status as "Assumption University" by the Ministry of University Affairs.

ACCREDITATION

- Thailand's Commission of Higher Education, Ministry of Education
- Association of Christian Universities and Colleges in Asia (ACUCA)
- Association of Southeast Asian Institutions of Higher Learning (ASAIHL)
- International Federation of Catholic Universities (IFCU)
- Network of International Business School (NIBS)
- Worldwide academic credit acceptance (Institutions of the International Association of Universities in USA, UK, Australia, France)

MEDIUM OF INSTRUCTION

English has been the total approved language of instruction at AU since 1969. AU conducts classes in English to further enhance students' ability to communicate effectively with their peers and equip them with the necessary skills to become global citizens.

STRATEGIC PARTNERS AND COLLABORATIONS

Assumption University has a growing number of partnerships with institutions from the United States, the United Kingdom, and Australia. The relationships involve faculty exchanges, visiting professors, student exchanges and joint degree programs. Assumption University also offers enhanced educational opportunities which add to the international experience of our students.

The University's curriculum is patterned after the American semester credit hour system and most textbooks are similar to those used in international universities. Graduates receive an education that is both globally marketable and flexible, leading to highly productive careers within the various sectors of society from which the students come and to which they aspire.

- Exchange students study for one semester with an exposure to culture diversity.
- AU Study Abroad Program has created opportunity for student to earn a degree with partner universities in the US, Europe, Australia or Asia.
- Double degree students can earn two degrees from AU and a partner university in shorter time and reasonable cost.

STUDENT EXCHANGE PROGRAM

Assumption University has developed Exchange Programs in cooperation with prestigious Universities in Austria, France, Germany, Poland, Netherlands and USA.

BENEFITS

- Enrich your experience as an overseas student
- Grab an opportunity to broaden your education
- Develop a wider network of colleagues and friends
- Experience diverse culture
- Study on an international language

COST AND FEES FOR EXCHANGE PROGRAM

- Tuition and registration fees of Assumption University
- Travel Expense at overseas
- Housing at overseas
- Medicals and Travel Insurance
- Expenses for overseas school activities

COURSES FOR EXCHANGE PROGRAMS

Maximum 4 subjects (12 credits) are allowed to study at the partner university

DOUBLE DEGREE PROGRAMS

Assumption University is renowned for its academic excellence in countries such as the US, UK, Australia, France, Germany, Poland, the Netherlands, China, South Korea, and Japan.

Graduates from Assumption University have been admitted to top universities worldwide, whether for full-time study or as visiting exchange scholars. Upon graduation, many have secured positions in highly-regarded multinational corporations and global businesses, as well as on national and international trade advisory boards.

ADVANTAGES

- A double degree program allows students to earn two degrees consecutively within 5 to 6 semesters.
- Graduates will earn distinct master's degrees: an MBA or MS from AU, plus a degree from an overseas partner university. Pursuing a double degree enhances career flexibility and opens up more opportunities.

JOINT PROGRAM WITH OVERSEAS UNIVERSITIES

For joint programs, students may undertake foundational courses at Assumption University (AU) that lead to a Master's degree offered by partner universities. This coursework may span 1-2 semesters at AU, followed by another 1-2 semesters of full-time study at the overseas partner universities. Degrees are conferred by the partner institutions upon the satisfactory completion of all course requirements.

ADVANTAGES

- Joint Programs are cost-effective and time-efficient for students.
- Participants will immerse themselves in new cultures, tackle fresh challenges, and cultivate a global mindset.
- The programs offer students the chance to live and study in some of the world's most vibrant cosmopolitan cities, including London, Sydney, and Chicago.
